Application No. 10/658,317	:	ON PETITION
Filed: September 9, 2003	:	
Attorney Docket No. P992792-04UT	:	
For: FASTENING SYSTEM FOR CHAIR	:	

This is a decision on the petition, filed June 8, 2006, under 37 CFR 1.137(b) to revive the above-identified application.

The above-identified application became abandoned for failure to timely submit a reply an extendable one () month period from the mailing of the October 11, 2005 Notice of Non-Compliant Amendment. No response being received and no extensions of time being obtained, this application became abandoned on November 12, 2005. A Notice of Abandonment was mailed on May 18, 2006.

Applicant has submitted an amendment in reply to the Notice of Non-Compliant Amendment (and the underlying non-final Office action, mailed May 4, 2005), an acceptable statement of the unintentional nature of the delay, and the petition fee.

The statement of unintentional delay was not signed by a person who would have been in a position of knowing that the delay in filing a timely response was unintentional. In the event that petitioner has no knowledge that the delay was in fact unintentional, petitioner should make a reasonable inquiry to ascertain that, in fact, the delay was unintentional. If petitioner discovers that the delay was intentional, petitioner must so notify the Office.

The petition is **GRANTED**.

After the mailing of this decision the application will be forwarded to Technology Center AU 3636 for consideration of the amendment filed on June 8, 2006.

Telephone inquiries should be directed to the undersigned at (571) 272-3230.
